

4 Forresters Court KINGSCLIFF NSW

4 🚗 4 🍷 3 🚗

Meticulously designed and proudly built to high standards by an award winning Master Builder. Attention to detailed quality finishes throughout. Large, beautifully planned home which could accommodate a growing family, empty nesters needing space for visitors or the perfect holiday home to spread out. The gourmet chefs kitchen with walk in pantry and 3 living areas including a media room, upstairs self contained living space and bar overlook the central courtyard style private 12m lap pool. Entertaining is elegant with a built in BBQ and full bar with servery. This home has enviable storage for those bigger "toys" - a 3 car drive through garage with space for a boat and caravan. 3 of the 4 generous bedrooms have walk in closets and linen space is ample. The two studies complete this excellent floorplan. Upgrades continue with ducted air-conditioning, security system, hardwood and stone flooring and more. An inspection is needed to fully appreciate this home.

Building Size : 58 sqm
