This wonderful home has tremendous flexibility to suit a families growing needs. The floor plan also works for empty nesters who prefer a downstairs master en suite, yet still want space for visiting family or perhaps those who require a self contained guest unit with its own kitchenette, bedroom, bathroom, large living and dining room too. The possibilities with this home are endless - see the floor plan for details.

The home wraps around a solar heated pool, and was designed to enjoy northern light from the living, dining, kitchen and fully serviced bar area including beer fonts, keg access, dishwasher and space for a fridge. Tucked just behind this living area on one side is a spacious and custom built double study.

A media room and wonderful master with en-suite complete the downstairs level. Upstairs is divided into two separate areas - one has two very generous secondary bedrooms with a bathroom and on the opposite side of the home is this superb and very large guest unit with bedroom, bathroom, kitchenette and expansive dining and living room.
