This home was designed by a Brisbane architect with the brief to make the most of space and light but also to evoke the mid century beach houses of the Gold Coast and Northern New South Wales beach strip.

It has a relaxed retro feel, with the main living area flowing to the outdoor area.

The two floors above provide excellent separation for guests. On the first upper level is a lounge-tv room, balcony and two double bedrooms and main bathroom.

The top floor is the master suite with walk-in robe and ensuite.

The ground level has lounge, kitchen, laundry and powder room. The lower level has a double lock up garage and a large storage and workshop area.
