A premium location commanded a premium offering. Welcome to Aura, Kingscliff Beach.

Positioned on the beachfront in arguably one of the best positions in Kingscliff, we have been eagerly awaiting this great opportunity. A boutique offering of only six luxury residences, Aura's enviable location provides a lifestyle of convenient beachside leisure. Being literally walking distance to all that Kingscliff offers, at Aura you can choose to leave the car at home.

A hidden gem on the far north coast of New South Wales, 'Kingly' as it is known to locals is a lifestyle location still to hit its stride. Opportunities in the market to own a property of this calibre (and these views, in this location) are rare, and we expect that this unrivalled opportunity won't last long.

Proudly developed by Panacea Development Partners, Aura offers a variety of floorplans to best suit your lifestyle, with each apartment designed to maximise the stunning ocean views and breezes. Features include 9ft ceilings, fully ducted air-conditioning with smart automation,
