

771 Round Mountain Road Reserve Creek NSW

A rare opportunity to own your own 35 acre valley! Distinguished by large rolling hills, open flats and two stunning dams. Talk about a dream blank canvas!

Round Mountain Road is the envied address when it comes to coastal acreage. Situated less than 10km to Cabarita Beach (recently voted beach in Australia) and Hastings Point. You really get the best of both worlds.

Access includes over 500m of bitumen road frontage and several gates. The post and barb wire fencing is in fair condition with limited repairs required for livestock suitability.

Whether you're looking to build your dream home, begin an eco tourism venture or simply use as a hobby farm this is a unique opportunity not to be missed.
