Tucked away on a northeast corner block and specifically chosen with only one neighbouring property to the south, the home curates a tropical oasis atmosphere from the moment you step beyond the private front fencing into a haven of lush green gardens.

Entering via the ground floor, a covered front patio leads into the spacious family room, outfitted with beautiful hardwood timber floorboards, abundant natural light from louvred windows, and easy access to the rear outdoor patio via stacker sliding doors.

Here you'll find a stunning lap-style plunge pool bathed in northern sunlight, a deck that runs right to the rear of the property, and a serving bar with bifold windows accessing the wet bar within. Three full-sized bedrooms complete the downstairs offerings, each with built-in robes and ceiling
