Privately tucked away within the exclusive enclave of Friday Island, just a short stroll from the heart of Cabarita Beach, this single-level waterfront home delivers an idyllic blend of privacy, comfort and coastal lifestyle.

Set across a generous 813m² parcel, the home enjoys a beautiful position overlooking the ti-tree lined canal, with a peaceful outlook to the hills beyond. Rich in birdlife and natural beauty, it is the kind of setting that never gets old, made even better by a stunning 12 metre heated lap pool that anchors the backyard experience.

Inside, the home has been thoughtfully refreshed while retaining the easy functionality and relaxed feel that made it so appealing in the first place. Freshly painted inside and out, it now features beautiful blackbutt timber flooring throughout the bedrooms, renovated bathrooms, new ceiling fans, and updated lighting, taps and door hardware throughout. The result is a home that feels fresh, cohesive and move-in ready, without losing its warmth or sense of character.
